My husband fell asleep too close to the pellet stove. We were **all very ill** and sleeping. My husband was badly burned and spent 6 weeks in a burn center [but] never really recovered... "**Everything was due.** Shut off notices. They're going to shut off everything and take my house. ..Suddenly VHAP sent me emails that everything was paid and a 2 ton boulder of worry lifted off of my shoulders. You all are lifesavers. Just the lifting of the stress, I can't describe my gratefulness." --Christine K., Rutland

"My wife lost her job and we relied on my SSDI (which pays less than a third of my income before I became 100% disabled)...[HAP] paid our past due water/ sewer bill and utility bill! Thanks to this program and caring people, it took some **stress off of our back.**"
